FEEDBACK

"Staff and children have valued the expertise that Tom and his team has to offer our school network. Our children have received high quality inclusive activities within PE and are shown pathways to continue their participation outside of school in a fully inclusive environment"

- PE and Sport Coordinator (primary school)

"Inclusive Sport's team of experienced coaches create a safe, friendly environment at our events that encourages young people to engage. They have a good understanding of a wide variety of sports and are exceptional at differentiating activities to be accessible to all.

By working in partnership with Inclusive Sport, PE and School Staff from local Special Schools have also grown in confidence and competence"

- School Games Organiser (Thanet School Games)

We specialise in providing inclusive after school clubs for children with SEN

Our team have the knowledge and understating of a wide range of disabilities
